

FOR IMMEDIATE RELEASE

Moen Adds Versatile Matte Black Finish To Arbor® and Ascent® Kitchen Collections

Features:

Moen introduces a new Matte Black finish to its Arbor® and Ascent® [kitchen](#) collections. This dramatic finish creates a streamlined appearance to complement black or stainless/black kitchen appliances and accessories. The Matte Black finish is extremely versatile, coordinating well with a variety of modern decors.

Arbor Kitchen Collection

- Simple, transitional style provides instant sophistication and design flexibility
- Three models available: pulldown, pullout and bar/prep faucets
- Multi-function wand available on pulldown, pullout and bar/prep models
- Pause feature is available on pullout and pulldown kitchen faucets, which allows users to interrupt the water flow while moving the spout outside the sink
- Collection features Moen's [Reflex](#)® system on pullout and pulldown kitchen faucets, which improves overall hose and sprayer operation for an experience that is truly user friendly
- New Arbor pullout model features a stylish, petite silhouette that's perfect for applications where space is a concern
- Offers a 360-degree spout rotation for full flexibility at the sink
- Additional finishes include: Chrome, LifeShine® Classic Stainless, Oil Rubbed Bronze and new Spot Resist™ Stainless, which does just what it says – resists fingerprints and water spots

Ascent Kitchen Collection

- Clean, precise and contemporary, the Ascent kitchen collection is the perfect addition to today's modern kitchen
- Collection includes a single-handle pulldown faucet, a single-handle pulldown bar/prep faucet and the modern, geometric Ascent 90 pullout kitchen faucet
- Offers a 360-degree spout rotation for full flexibility at the sink
- Multi-function wand available on pulldown and bar/prep models
- Pause feature is available on pullout and pulldown kitchen faucets, which allows users to interrupt the water flow while moving the spout outside the sink
- Collection features Moen's Reflex system on pullout and pulldown kitchen faucets, which improves overall hose and sprayer operation for an experience that is truly user friendly
- Additional finishes include: Chrome and LifeShine Classic Stainless
