**MEREDITH CORPORATION'S BEAUTIFUL KITCHENS & BATHS TO UNVEIL 30 MOST INNOVATIVE PRODUCTS FOR 2016 AT ANNUAL KITCHEN AND BATH INDUSTRY SHOW**

*Top Products for Everything from Ranges to Showers to Wine Coolers to Be Recognized;*

*DuPont, Moen and LG Among 30 Products Selected*

**LAS VEGAS, NV (January 18, 2016)** – *Beautiful Kitchens & Baths* magazine, part of the Luxury Home Design Group at Meredith Corporation, announced today its fifth-annual list of 30 Most Innovative Products. The list unveils editors' picks for their favorite kitchen and bath design products from the year. These new products will be featured in the spring issue of the magazine, on sale March 15.

The 30 Most Innovative Products, which include Moen's Mosaic™ Body Sprays, DuPont's Corian® Charging Surface, GE's Café Keurig K-Cup Brewing System Refrigerator, LG's TWIN Wash™ with SideKick™ Pedestal Washer, Sherwin-Williams' Sketch Pad Dry Erase Coating; and Vinotemp's 7-Bottle Mirrored Wine Cooler, were selected by the editors for their ability to combine smart function, seamless style, and cutting-edge technology. The entire list of all 30 products can be found at [BHG.com/30Most](http://BHG.com/30Most).

Samantha Hart, Group Editor, Luxury Home Design, notes that products selected also included stain-resistant hardwood flooring, a convertible bathroom vanity, and a medicine cabinet with integrated audio and a USB port for charging mobile devices. Manufacturers recognized include such well-known brands as Samsung, ThermaSol and Jacuzzi as well as custom designers and manufacturers such as Axor, Ryvyr, and clé among others.

"Innovation is no longer just appreciated but expected by consumers and designers alike, and the industry has answered the call with new products that defy expectations both in terms of style and performance," says Hart. "From appliances to surfaces and everything in between, kitchen and bath manufacturers are setting the standard for what it means to be truly innovative."
